## New Hard disk introduced

The new hard disk is only available in combination with the complete plug-in storage (GS320), no separate hard disk is delivered any more.

For installation instructions, see Service Documentation (DD+DIS231.98E) Section 6.5 "Replacement of a defective Hard Disk".

Hard disk size: 4,1 GB

Order number: CM+9.5155.1540.1

Prerequisite for using the new hard disk is Software Version SOL\_1302.

If the software is not available on site you can download it from DigiNet.
